

First International Workshop on
Information Security (IS'06)

<http://www.cs.rmit.edu.au/fedconf/is2006cfp.html>

In conjunction with OnTheMove Federated Conferences (OTM'06)

<http://www.cs.rmit.edu.au/fedconf>

Montpellier, France, October 29 – November 3, 2006

Proceedings will be published by [Springer Verlag](#)

GOAL

The goal of this workshop is to bring together researchers from the academia and practitioners from the industry in order to address information security issues. The workshop will provide a forum where researchers shall be able to present recent research results and describe emerging technologies and new research problems and directions related to them. The workshop seeks contributions presenting novel research in all aspects of information security.

TOPICS OF INTEREST

Topics of interest include, but are not limited to the following:

- Access Control and Authentication
- Accounting and Audit
- Biometrics for Security
- Buffer Overflows
- Computer Forensics
- Cryptographic Algorithms and Protocols
- Databases and Data Warehouses Security
- Honey Nets
- Identity and Trust Management
- Intrusion Detection and Prevention
- Information Filtering and Content Management
- Information Hiding and Watermarking
- Mobile Code Security
- Multimedia Security
- Network Security
- Privacy and Confidentiality
- Public-Key Infrastructure
- Privilege Management Infrastructure
- Risk Assessment
- Security Issues in E-Activities
- Security and Privacy Economics
- Security in RFID Systems
- Security and Trustiness in P2P Systems and Grid Computing
- Security in Web Services
- Smart Card Technology
- Software Security

SUBMISSION REQUIREMENTS

All submitted papers will be carefully evaluated based on originality, significance, technical soundness, and clarity of expression. All submissions must be in English. Submissions should be in PDF format and must not exceed 10 pages in the final camera-ready format for regular papers and 4 pages for position papers. Authors instructions can be found at: <http://www.springer.de/comp/lncs/authors.html>

The paper submission site is located at:

<http://www.cs.rmit.edu.au/fedconf/is/2006/papers>

Accepted workshop contributions will be published by Springer-Verlag as LNCS (Lecture Notes in Computer Science) as a part of the workshop proceedings of the 2006 International On The Move Federated Conferences (OTM). Registering to the OTM conference and IS workshop is a prerequisite for the paper to be published.

Failure to commit to presentation at the conference automatically excludes a paper from the proceedings.

IMPORTANT DATES

Abstract Submission Deadline	June 23, 2006
Paper Submission Deadline	June 30, 2006
Acceptance Notification	August 10, 2006
Camera Ready Due	August 20, 2006
OTM Conferences	October 29 - November 3, 2006
